## In Memoriam

**Bill Dalles**

**Jay Cox**

Since 2008, the Tri-State board has lost two long-time, valuable members. Bill Dalles served on the board for 29 years, representing Carbon Power & Light (Saratoga, Wyo.) since 1981 when the Tri-State board was first expanded to 24 directors. Jay Cox was Sierra Electric Cooperative's (Elephant Butte, N.M.) representative and served as a director since the Tri-State/Plains Electric merger in 2000. The dedication and contributions of both directors will be missed.
